

Welcome to Mrs. Midlin's room!

As we begin the school year, there are some items that will help our classroom greatly. This year, we will not be using shared supplies in our classroom. Items will be labeled and stay at school for when your child is working in the classroom, and disinfected after use. I have also included a list of items that will be helpful at home. Approved Hand sanitizer and disinfectant will be provided by HCPS this year.
